

Allianz Preview 2016: Singapore

00:00

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Welcome to the Singapore Grand Prix“.

00:10

„I think the Singapore race is a highlight of the F1 calendar. Because it's in the middle of this massive city, a night race and that alone is special.“

00:24

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„For us drivers that is a challenge because having all that lighting, it does make it more difficult visibility-wise to see bumps, to see this and that. It'll be my 200th Grand Prix actually.“

00:36

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Really? That's quite amazing, isn't it?“

00:40

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„It feels to me like I started just yesterday.“

00:43

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„And as you know, the key thing with Singapore is, it's all about the tyre temperatures. The straights are so short that the tyres can't cool down and then in the corners they just get hot.“

00:55

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„It's understanding how you manage those temperatures and around the lap you know if you push flat-out in sector one and two, you can kill the tyre for sector 3. So it's about balancing the whole lap. There are so many corners there, 23 corners, more than any other circuit.“

01:10

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„I'm sure you guys are going to make just the right choice for us out there.“

01:14

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„We will try yeah. You know it's all about the unknowns and strange things happen there, safety cars at peculiar times, very difficult to predict.“

01:27

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„My favourite part of the track is probably turn 1 after the start. It's such a battle going into there. Everybodys trying to dive down there and people take more risks because there's a runoff there's not a wall in the exit. So even if you get it wrong you are going to go around the runoff, and not lose too much time and that's a big challenge which I enjoy.“

01:48

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Well, it's so hard to overtake as well you've gotta get the position.“

01:50

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Exactly.“

01:52

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„No one's ever got a 1,2 in Singapore. That might be a good target.“

01:50

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„I'm really looking forward to the night race, and I hope you enjoy the race weekend, too.“

Ends: 02:07

Allianz Preview 2016: Singapore

00:00

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Willkommen zum Singapur Grand Prix!“

00:10

Das Singapur-Rennen ist ein Highlight im F1-Kalender, da es mitten in einer riesigen Stadt stattfindet. Ein Nachtrennen, das allein ist schon was besonderes.“

00:24

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Für uns Fahrer ist es eine Herausforderung bei dieser Beleuchtung, da es von der Sicht her schwieriger wird und man die Unebenheiten nicht mehr richtig sieht. Verrückt ist, dass es mein 200. Grand Prix ist.“

00:36

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Echt? Großartig!“

00:35

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Für mich fühlt es sich an als hätte ich gestern erst angefangen.“

00:43

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Am wichtigsten in Singapur ist die Reifentemperatur. Die Geraden sind so kurz, dass die Reifen gar nicht runterkühlen können und in den Kurven werden sie einfach nur heiß.“

00:55

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Es geht darum bestmöglich zu verstehen wie man mit solchen Temperaturen umgeht. Wenn man in einer Runde in Sektor eins und zwei Vollgas fährt, muss man wissen, dass man im dritten Sektor seine Reifen zerstören kann. Und es gibt viele Kurven, 23 an der Zahl, keine andere Strecke hat mehr.“

01:10

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

Ich bin mir sicher, dass ihr die richtige Wahl für uns da draußen trefft.“

01:14

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Wir versuchen es. Es geht nur um das Unbekannte. Kurioses passiert hier wie, dass das Safety Car zu ungewöhnlichen Zeiten rauskommt. Schwer so etwas vorherzusagen.“

01:27

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Meine Lieblingsstelle ist Kurve eins nach dem Start. Eine richtige Schlacht. Jeder versucht nach vorn zu kommen und die Fahrer gehen größere Risiken ein, da dort eine Auslaufzone ist, keine Mauer. Selbst wenn man die Kurve nicht bekommt, kann man über die Auslaufzone fahren und verliert nicht so viel Zeit. Das genieße ich sehr.“

01:48

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Da überholen schwierig ist, sollte man eine bestmögliche Position in der Startaufstellung haben.“

01:50

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Genau!“

01:52

Original Sound: Andrew Shovlin, Chief Race Engineer, English

„Niemand hat je eine 1-2 in Singapur geschafft. Das ist ein gutes Ziel.“

01:50

Original Sound: Nico Rosberg, MERCEDES AMG PETRONAS Formula One™ Team Driver, English

„Ich freue mich sehr auf das Nachtrennen und ich hoffe ihr werdet es genießen!“
