

Webisode Branimir Budetić

00:05

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"When I was 9 years old, I had lost sight on my left eye, but I played handball before, and after that accident. When I was 14 years old, I had an accident in the training and I crashed in my friend, and that's why the doctor said I lost the sight on my right eye.">>00:28

00:31

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"After that accident I was very depressed. And one coach of the athletics in my town came to me and said: "Do you know something about paralympic sport?" and I said: "No, I don't know nothing about that.">>00:43

00:44

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"Right now, to me it means a very big thing to me. Because it changed my life and I met new friends. Meeting new people and that's very helpful to some people who are very depressed.">>00:58

01:00

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"For the people with disability like me it is hard to learn technique. How do you run, how do you throw, how do you jump, because we don't have the 3D image of the space. We must learn it. It's very hard for us.">>01:18

01:22

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"My greatest time in sport, was winning the silver medal in Paralympic Games in Beijing in the discipline javelin throw. And my mother was with me back then in Beijing.

I was very happy, I cried, I ran to my mama and we hugged each other and that was the best moment in my life, because when you share the happiness with somebody of your closest family it's much, much bigger.">>01:54

01:56

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"In Croatia people don't think sometimes good at paralympic sports because before the Paralympic Games in Beijing there was a very low percentage of people who knew about the sport.">>02:09

02:11

Branimir Budetić, Paralympic Athlete, Pentathlon, English

"I wish that paralympic sports get more attention in the world.">>02:14
